FUN FACTS ABOUT MUSIC

COMPOSERS

Mozart composed his first composition when he was five years old.

Tchaikovsky composed the music for The Nutcracker ballet.

Haydn composed a symphony called “The Farewell” which directed musicians to leave one-by-one, ending with only one violinist playing.

Bartok was an ethnomusicologist which is a person who studies music of the world. He traveled across Europe collecting and studying folk songs.

Holst composed a piece entitled “The Planets.”

John Williams composed music for many movies including Star Wars, Jurassic Park, Raiders of the Lost Arc, Harry Potter, E.T. and Superman. **WOW!**

LANGUAGE

Italian is the language used most often in music. Here are some common musical terms, and the translations.

Arco: play with the bow

Pizzicato: pluck the string

Col legno: use the wood of the bow

Forte: play loudly

Piano: play softly

RANDOM

In 2016, Mozart sold more CD’s than Beyoncé.

Your heartbeat syncs to the rhythm of music.

Music is considered the universal language.
